

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HJR 525

March 4, 2012

SUMMARY OF BILL: Encourages the State Board of Education (SBE) to include energy conservation when developing frameworks and curricula for kindergarten through 12th grade. Encourages local education agencies to include courses and content on energy conservation methods in appropriate grade levels.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the Department of Education, energy education is currently incorporated into the curriculum framework for grades kindergarten through twelve.
- Any increase in permissive local expenditures to incorporate more content into the existing curriculum will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
